Subject: Scheduled meetings for Lansing visit

Cathy,

We've set up some additional meet-and-greets for your trip to Lansing next week. Here's the current schedule. (We're still waiting to hear back from Sen. Stabenow's office.) Also, attached are bios of the people you'll be meeting and some Michigan hot issues we've been able to pull together at the last minute. We've asked the contacts for all the meetings to call Ronna if plans change ... if we need to reach you on the road next week, is still your cell number?
